This presentation may contain projections concerning the financial situation and results of the activities and business lines of Amundi. The figures given do not constitute a “forecast” as defined in Article 2.10 of Commission Regulation (EC) No. 809/2004 of 29 April 2004.

This information is based on scenarios that employ a number of economic assumptions in a given competitive and regulatory context. As such, the projections and results indicated may not necessarily come to pass due to unforeseeable circumstances.

Furthermore, the financial information given is based on estimates, particularly when measuring market value and asset depreciation.

The reader should take all of these uncertainties and risks into consideration before forming their own opinion.

The figures presented for the nine-month period ended 30 September 2016 were prepared in accordance with IFRS guidelines as adopted by the European Union and applicable as of this date. The financial information given does not constitute financial statements for an interim period as defined in IAS 34 (“Interim Financial Reporting”), and has not been audited.

The information contained in this presentation, to the extent that it relates to parties other than Amundi or comes from external sources, has not been independently verified, and no representation or warranty has been expressed as to, nor should any reliance be placed on, the fairness, accuracy, correctness or completeness of the information or opinions contained herein. Neither Amundi nor its representatives can be held liable for any negligence or loss that may result from the use of this presentation or its contents, or anything related to them, or any document or information to which the presentation may refer.

- **In Q3 2016:**
  - Substantial growth in net revenues
  - Cost/income ratio down by 0.7 percentage points thanks to successful cost control
  - Lower apparent tax rate: 31.3% in Q3 2016 vs. 34.6% in Q3 2015, thanks to the cancellation of the corporate tax hike in France on 1 January 2016
  - Rise in net income Group share (+14.2% vs. Q3 2015)

4 Development of internal growth drivers

Creation of an integrated platform dedicated to expertise in real and alternative assets

- **Our expertise:**
  - A platform representing €34bn in assets under management* gathering real estate, private debt, private equity and infrastructure
  - 200 experts in origination, management and structuring

- **For our clients:**
  - Solutions that meet their yield and diversification needs (low correlation with traditional assets, illiquidity premium)
  - A player with excellent financial strength and a culture of efficiency and transparency

Launch of a service business line

- **Our assets:**
  - A client-focused structure
  - An internally-developed IT platform
  - A process-driven culture, a large trading volume and a platform coordinating 30 management companies

- **For our clients:**
  - A partnership approach
  - Effective subcontracting of new services as mandated by regulation and requiring strong investment capacities (execution, portfolio simulation, reporting, calculation and updating of regulatory indicators)

Strengthening management expertise through external growth

**Acquisition of KBI Global Investors**

- €8.6bn in AUM\(^2\), up significantly since 2011
- Key figures for 2015: €31m in revenue, €9m in net income
- **Strong synergies:**
  - in management expertise: KBI specialises in global and environmental equity.
  - in terms of products/services: marketing KBI GI's areas of expertise to Amundi’s clients

- A transaction in line with the acquisition policy, offering marketing synergies and immediately accretive on Amundi’s net earnings per share.

**Combination of the real estate management activities of Amundi and Crédit Agricole Immobilier**

- 27 October 2016: Amundi and Crédit Agricole Immobilier combine their management companies specialised in real estate management: CAII\(^4\) (€5bn under management) and Amundi Immobilier (€12bn under management)
- Transaction carried out through the contribution of CAII shares by Crédit Agricole Immobilier in exchange for Amundi shares, valued as follows:
  - CAII: €29.3m
  - Amundi shares: €43 (average market price in August 2016)
- Issuance of 680,232 new shares, equal to 0.4% of the share capital
- Neutral impact on Amundi’s net earnings per share

- A transaction that will create a sizeable player on the European level, with ambitious business development, and that will strengthen Amundi’s positioning in real estate investment funds, an asset class seeing significant growth
- Amundi expects to manage more than €20bn in real estate by the end of 2016

---

1. Acquisition finalised 29 August 2016
2. At 30 September 2016
3. At end-December 2015
4. Crédit Agricole Immobilier Investors
Conclusion

- **Operating performance in line with the announced annual objectives:**
  - Business activity: with €39bn in net inflows at end-September 2016, the annual objective has almost been reached
  - Profitability: net income in the first nine months up 5.3%, with an improving cost/income ratio

- **Development of internal growth drivers**
  - Creation of an integrated division dedicated to expertise in real and alternative assets
  - Launch of a service business line

- **External growth operations in line with our policy:**
  - Acquisition of management expertise (KBI GI)
  - Strengthening in real assets (real estate management)
