Statutory auditors are carrying out the audit procedures on the consolidated financial statements for 2016 presented in this notice.

This document may contain projections concerning the financial situation and results of the activities and business lines of Amundi. The figures given do not constitute a “forecast” as defined in Article 2.10 of Commission Regulation (EC) No. 809/2004 of 29 April 2004. These projections and forecasts are based on opinions and current assumptions regarding future events. No guarantee can be given regarding the achievement of these projections and forecasts, which are subject to inherent risks, uncertainties and assumptions related to Amundi, its subsidiaries and its investments, the development of its activities, sectoral trends, future investments and acquisitions, changes in the economic environment or in Amundi’s major local markets, competition and regulations. Given the uncertainty over whether these events will come to pass, their outcome may prove different than currently predicted, which is likely to significantly affect expected results. The reader should take these risks and uncertainties into consideration before forming their own opinion. Management does not under any circumstances undertake to update or revise any of these projections or forecasts. No information in this notice should be taken as an earnings forecast.

The figures given have been prepared in accordance with IFRS accounting standards as adopted by the European Union and applicable as of this date.
