# Invest for the future...

“ Our priority is to create investment solutions tailored to your needs and to the market environment. Our 2028 Strategic Plan specifically addresses your expectations for retirement savings and the digitalisation of savings. It aims to expand our geographical footprint in Asia, Europe and high-potential regions. We will continue to innovate across active, passive and private asset solutions while consolidating our leadership in responsible investment. We also aspire to become your preferred technology partner. ”
