Note: Assets under management, including assets under advisory and marketed assets and funds of funds, and taking into account 100% of the net inflows and assets under management of Asian JVs; for Wafa Gestion in Morocco, assets under management and net inflows are reported in proportion of Amundi's holding as of 01/01/2024, reclassification into Bonds of short-term bond strategies (€30bn in outstanding) previously classified as Treasury products until 31/12/2023; Outstanding amounts up to that date have not been reclassified.

Methodology & Alternative Performance Measures - APM

Accounting data

They include the amortisation of intangible assets, recorded as other revenues, and since Q2 2024, other non-cash charges related to the acquisition of Alpha Associates, spread according to the payment schedule of the earn-out until the end of 2029; these charges are recorded as deductions from net financial income.

The aggregate amounts of these items are for the different periods under review are detailed in the P&L part of this document, for the different periods

Adjusted data

In order to present an income statement that more closely reflects the economic reality, the following adjustments have been made: restatement of the amortisation relating to (i) the distribution contracts with Bawag, UniCredit and Banco Sabadell, (ii) the intangible assets representing client contracts of Lyxor and, since the second quarter of 2024, Alpha Associates, as well as, (iii) other non-cash charges related to the acquisition of Alpha Associates as from the second quarter of 2024; such amortisation and non-cash expenses are recorded **as a deduction from net revenues**.

Acquisition of Alpha Associates

In accordance with IFRS 3, recognition of Amundi's balance sheet as at 01/04/2024:

- a goodwill of €290m;
- an intangible asset of €50m representing client contracts, depreciable on a straight-line basis until the end of 2030;
- liabilities representing the conditional earn-out not yet paid, for €160m, including an actuarial discount of -€30m, which will be amortised over 6 years.

In the Group's income statement, the following is recorded:

- the amortisation of intangible assets for a full-year expense of -€7.6m (-€6.1m after tax)
- other non-cash charges spread according to the schedule of payments of the earn-out until the end of 2029; These expenses are recorded as deductions from net financial income.

In Q3 2024, the amortisation of intangible assets was -€1.9m before tax (-€1.5m after tax) and non-cash charges were -€1.4m before tax (i.e. -€1.1m after tax).

Over 9 months 2024, these amortisations and charges were -€6.7m, they only started from the closing of the operation in early Q2.

Note

The figures presented in this document for Q4 and FY2024 have been approved by Amundi's Board of Directors and have been prepared in accordance with the prudential rules in force and IFRS standards, as adopted by the European Union and applicable as of the date of this document, but remain subject to the work of the statutory auditors which is in progress.
