(1) The total amount distributed, as indicated above, is based on the total number of shares as of December 31, 2024, i.e., 205,419,262 shares, and will be adjusted according to the number of shares entitled to dividends on the dividend detachment date. It is specified that the amount of the balance allocated to retained earnings will be adjusted accordingly.

The dividend is set at € 4.25 per share.

The dividend coupon will be detached on June 10, 2025 and paid out as from June 12, 2025. It should be noted that, at the time of payment of such dividends, if the Company holds a portion of its own shares, the dividends not paid on those shares will be allocated to retained earnings.

Pursuant to Article 243 *bis* of the French General Tax Code, this dividend is eligible, when paid to individual shareholders domiciled in France for tax purposes, to the 40% deduction provided for by Article 158, section 3, sub-section 2 of the French General Tax Code. It is reminded that for dividends received as from January 1, 2018, this deduction is in any event only likely to apply when the taxpayer has opted for taxation of income from movable property according to the income tax scale instead of the single flat-rate levy (*prélèvement forfaitaire unique*).
