

THE GLOBAL SHAKE-UP

Where will the pieces fall?

After a turbulent few years, global economies have seen old patterns shatter. As new dynamics take shape, what actions investors can take now will have the most impact on the future? This year's Amundi World Investment Forum examines the puzzle, tries to filter out the noise and assesses how policymakers, financial services and investors can rise to meet the challenges ahead.

DAY 1 THURSDAY 22 JUNE

INTRODUCTORY REMARKS

Valérie Baudson, Chief Executive Officer, Amundi

WHERE WILL THE PIECES FALL?

After years of flatlining, inflation is again a preoccupation shared by populations, politicians, and finance... How can we combat it while addressing climate change and social issues? Can Europe play a leading role in this while it also deals with fallout from war in Ukraine?

Dr. Mario Draghi, Former Prime Minister of Italy - Former President of the ECB

THE IMPACT OF NEW WORLD ORDER ON WESTERN DEMOCRACIES

• **The war in Ukraine:** what implications for democracy, geopolitics and diplomacy? What is the role of international investors in financing the reconstruction of Ukraine?

Dmytro Kuleba, Ministry of Foreign Affairs of Ukraine

• Has the Ukraine crisis ushered in a new era of armed conflict? What implications do politicised cooperation and ultra-fragmented supply chains carry for global trade relationships?

Professor Helen Thompson, Professor of Political Economy, University of Cambridge
General Jean-Paul Paloméros, Former NATO Supreme Allied Commander for Transformation - Former Chief of Staff of the French Air Force
